April 16th 2007
Week - 5 of 13:

8 More Weeks to Commit to Engaging in this Project for the Glory of God. What can God do through your wallet for 26 weeks?

"Accordion Wall": Moveable walls that represent the most mobile and flexible wall system to separate different rooms.

...there is no Restraint to the LORD..... I Samuel 14:6

A Turn Key Project

Wikipedia definition of a Turnkey Project: It is a project in which separate entities are responsible for setting up infrastructure and for putting it into operation. It can refer to something that is ready for immediate use when finished.

It is going to be so amazing to have the new building come to us this way. God will put to work what he as provided us.

Goal

Raise as much capital (money) as possible before we secure the loan to keep payment as low as possible.

Classrooms

There will be seven new classrooms with 3 accordion walls. When the walls are open, the room will hold 75-100. The north wing of classrooms can be opened to accommodate approx. 140. Each classroom will provide space for Sunday School and will be opened up for the Kings Kids ministry on Wednesday nights.

Offices and Pastor's Studies (better term)

The new building will have a "Study" for each pastor and an administrative office for the church Staff. I'm sure the pastors will fully utilize these rooms for study, counseling sessions, discussions with local leaders, and other items that may arise. The administrative office will be filled with all resources necessary to support the church and its ministries. It is still a mystery if Pastor will be moving his Study or remaining in the "upper room".

Corner Stone

Isaiah 28:16 Therefore thus saith the Lord God, Behold I lay in Zion for a foundation a stone, a tried stone, a precious corner stone, a sure foundation: he that believeth shall not make haste.

May we always use the Lord Jesus as the Corner Stone for our church and lives.

Phase Two

Phase Two will include a brand new education building used perhaps for a future conservative, "close" enrollment Christian School - A Christian School that will build our young people as God honoring adults, Biblically educated, and ready to serve the Lord.

The old building will be turned into a Fellowship Hall. The fellowship hall will get a brand new kitchen with a pick-up window. This could be used for all of our fellowships, a meeting place for some of our ministries, and as a cafeteria for a future school.
